

*Almost everything made from wood and other forest products is available with the FSC label'*

FOREST STEWARDSHIP COUNCIL

## CREATE YOUR OWN COMPOST

Use an attractive kitchen caddy to store food waste until you are ready to transfer it to the compost heap – remember you can compost vegetable peelings, egg shells and used tea bags.

Enamel compost **bucket** with lid, £12.50, Country Cream Cereal **bowl**, £6.85, Sophie Conran at Portmeirion.

## TRY SUSTAINABLE DESIGNS

Choose furniture and accessories made from recycled or sustainable materials such as this bamboo bowl.

Bamboo fruit **bowl**, £5, Biome Lifestyle. Bourkes Luck **chair** made from an old school desk, £295, One Eco Home.
