

PALE OF A TIME
By using a range of whites on the walls and furniture, Lyn has built a multilayered but subtle backdrop for her eclectic collections. Sticking to a palette of warmer shades means the space doesn't feel stark. Dip into Dulux's white collection, including White Cotton and Frosted Dawn, £16.99 for 2.5L.

SO SPA, SO GOOD
Lyn has created a home spa experience in her open-plan bedroom suite, with a glamorous roll-top bath and lounging area. She's added definition to the different areas with artworks and calligraphy letters. Graham & Green has a great range of single letters if you prefer to create your own words. Try Victoria Plumb for a similar bath.
